

SAT STUDY PREP

Resources on College Board

Free resources for SAT preparation can be found directly on the College Board website.

Practice Tests

Check out the Bluebook app from College Board that includes more information about what to expect on the actual exam. Try a free practice exam to identify your strengths and areas for improvement.

Question of the Day

Challenge yourself with a College Board generated new question every day, build streaks, earn badges, and sharpen your skills! Check it out here!

Study help at the Khan Academy

Interactive, high-quality, and free resources to improve exam skills can be found directly on the Khan Academy website.

Set a Target Score

You can set a target score for yourself based on a college you want to go to. Check out the step-by-step recommended guidelines to use the BigFuture college search to identify the scores needed for the colleges you intend to apply to. Study and practice to reach your goals. Remember to plan to study for at least 6 weeks prior to your actual exam.
